

Competitor Information – Rolex 24 at Daytona 2008-02

To: Grand-Am Competitors
From: Grand-Am
Date: December 6, 2007
Subject: Pre-event Rig Staging for the Rolex 24 at Daytona

Please review the accompanying maps for correct staging of your transporter prior to entering Daytona International Speedway and for the location of registration.

Pre-event rig staging for the Rolex 24 will be in the Speedway Superstretch, located off of Midway Blvd. Enter the Speedway through Gate 70. Do not attempt to enter at Gate 40.

Gate 70 will be open the following hours:

<u>Date</u>	<u>Open</u>	<u>Close</u>
1/22/08	8 AM	*
1/23/08	*	8 PM

Rolex Series rig parking will start at 8:00 AM on Wednesday, January 23.

Koni Challenge rig parking will start at 11:00 AM on Wednesday, January 23.

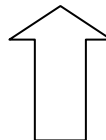

Only credentialed truck drivers and passengers will be allowed to enter the Speedway. Trucks with occupants who are not credentialed will not be allowed in. Credentials may be purchased at Grand-Am Registration (see map included with this bulletin). Do not take transporters to Registration.

Attention KONI Challenge Teams: All transporters must leave the garage area Friday night after the KONI Challenge race. There will be no on-site parking available for transporters, however the Speedway will have an area designated should teams need parking for the duration of the weekend. Maps and directions will be available at the event.

Attention Team Managers: Please make sure that your transporter complies with Section 14.3 in the General Automobile Regulations of the 2008 Grand-Am Rule Book (currently available online at grand-am.com).

During the parking procedure, directions will be given on CB Channel 40.
