

## Competitor Bulletin #2009-04

To: Grand-Am Koni Challenge Competitors  
From: Grand-Am  
Date: August 24, 2009  
Subject: Boost adjustment for Miller Motorsports Park

---

As indicated in Technical Bulletin 2009-12 Grand-Am may establish alternate boost parameters for turbocharged and supercharged cars at specific race events.

The Miller Motorsports Park boost multiplier will be .87 for turbocharged cars. (Specified boost X .87 = authorized boost for Miller Motorsports Park race.)

Car	Authorized Boost	Boost Adjustment Multiplier
		0.870
Cobalt	13	11.3
Dodge SRT4	15	13.1
Subaru	13	11.3
Volkswagen	11.5	10.0
