SKIP BARBER – GRAND-AM PARTNERSHIP January 2008

Skip Barber Racing and Grand-Am have entered into a partnership that provides sanction of the **BFGoodrich/Skip Barber National Presented by Mazda**, and makes the Skip Barber Racing School the Official Racing & Driving School of Grand-Am.

All cars competing in Grand-Am championships (DP, GT, and KONI) will display the Skip Barber logo. Likewise, Skip Barber Racing's fleet of Formula Skip Barber, Skip Barber Formula 2000 and Skip Barber MX-5 Cup cars will carry Grand-Am identification.

This new partnership aligns the Skip Barber organization with one of the preeminent road racing series in North America, and provides an avenue for **BFGoodrich/Skip Barber National Presented by Mazda** drivers to showcase their talent in front of a nationwide audience.

Racing is only one facet of the Skip Barber organization. You are familiar with the driving and racing schools but may not know that they produce programs for over 125 corporate clients a year, with group sizes ranging from 10 to 75 people. Our customers come from around the globe to join us at one of our five base locations or twenty other tracks around North America. We are the only company that has a national footprint of driving schools, racing schools, and corporate programs.

Grand-Am will provide the decals required for your race car at the transporter. Please Place the decals on or as close to the front fender as possible.
