**SPORTING REGULATIONS**

8-4 Race Start

8-4.1 Rolex Sports Car Series/ KONI Sports Car Challenge - Cars will be gridded by the following procedure. The pit lane will be open to competitors approximately 30 minutes prior to the scheduled race start time for pre-race and fan pit walk activities. Grand-Am may penalize teams for non-participation in pre-race activities. Cars may drive or be pushed to their pit spot at this time. Tires may be changed ~~up to the opening of pit exit for the exploratory laps and all other~~ service may be performed, except the addition of fuel during the pre-race period, exploratory laps and pace lap periods. No fuel may be added at any time. ~~Cars must be brought to pit lane fully fueled.~~ No fueling is permitted until after the ~~completion of one green flag race lap.~~ car has taken the green flag on the track or, if the car started from pit lane, after it has passed the scoring line on the track for the first time. (Remainder of section as previously issued)

9-2 Mandatory Pit Stop Time

9-2.1 (Change to read) In races where a mandatory pit stop is required prior to a specific time this requirement will be fulfilled on pit stops occurring after the car has taken the green flag on the track, or if the car starts from the pit lane after it has crossed the scoring line on track for the first time.

9-2.2 (Previously 9-2.1) Time for mandatory pit stops will be measured at the line that indicates the start of the pit lane speed limit at the entrance of the pits.
